SOCIAL SERVICES’ INFORMATIONAL UPDATE
The DSS Board provided an informational update to the Board of Commissioners regarding various Social Services issues. The June 2013 update was provided by DSS Board member Sharon Tirrell and focused on the importance of foster parents.

Foster parents are heroes. They open up their homes and hearts to children who have had rotten lives, children who have been neglected and abused by their parents or caretakers and who have been removed from their homes by the court for their protection. Foster parents come from all kinds of backgrounds. Most foster parents are motivated by a sincere desire to help children.

National Foster Care Month is celebrated every year in May; foster parents are given recognition for their largely unsung efforts to better the lives of kids. Let me introduce you to some of my heroes. They represent the 90 foster families in Henderson County who care for 101 children in custody of the Department of Social Services (DSS). Their identities are altered to protect privacy.

Charlotte, an unmarried professional nearing retirement, saw foster parenting as an opportunity to enrich her life. She went into it with her eyes wide open. She knew that a child who was traumatized by physical or sexual abuse or severe neglect would not be easy. She knew that a child who hadn’t had enough to eat might hoard or steal food. She knew that a child bitterly disappointed by parents and afraid to trust would be hurt and angry and might test her with defiance. She knew that a child who was traumatized by physical or sexual abuse might have nightmares, might have flashbacks that could cause odd behavior and might have problems with concentration and learning. But she wanted to make a difference in a child’s life. And she has. Charlotte is foster mother to Bea, an eleven year old who was severely abused and whose parents were incarcerated. Bea had been in another foster home for two years. With the help of a good therapist she was making progress. But the foster parents, who had other children as well as full-time jobs, felt they couldn’t give Bea what she needed. Not surprising, Bea was very tentative at first with Charlotte. Charlotte’s warm, nurturing laid-back nature and patient but firm and consistent style have paid dividends. Being an only child and not having to compete for attention was a bonus for Bea. She has bonded with Charlotte. The behaviors that were symptoms of post traumatic stress are no longer evident. She is making friends and her school work has improved. When Bea snuggles up close on the couch and wants to be hugged, that’s Charlotte’s reward. Charlotte would like to adopt Bea, but “I have to make sure that’s what she wants,” she says.

Jerry and Diane have middle school children of their own and a comfortable lifestyle. They are active in their church. They see being foster parents as part of their Christian commitment. Billy became their foster child when he was four. He came from a chaotic household. There was little supervision, no regular mealtimes or bedtimes. He was allowed to play outside at any hour. It was a challenge to socialize him to organized family and community life. Two years later he is struggling to focus in first grade. He needs tutoring, speech therapy, counseling and medication. He continues to be socially inappropriate at times but, as he matures, he is improving. His foster mother has become skilled in guiding his behavior and she has decided to home school him. Fortunately for Billy, he is attractive and charming. Diane says, “We love him unconditionally and he wants us to be his forever family.” Jerry and Diane have recently adopted Billy. When Billy’s needs lessen, they will probably foster another child, they say.
Most foster parents are temporary parents. Unlike Bea and Billy, most children return to their biological families or live with relatives. When children are placed in DSS custody by the court, the agency by law must create a plan for family reunification. Parents generally have a year to accomplish specific objectives with the help of an assigned social worker in order to have their children returned.

Connie and Frank have been fostering babies and toddlers for seven years. They have taken in babies for as little as one day or as long as two years. They’ve received “preemies” right from the hospital. They have three teenagers of their own. Connie, a stay-at-home mom, says it has been a very positive experience for her family. “The love it brings in and the love it brings out of us makes this a happier house. We smile more. And it’s been good for our kids. I’d never taken care of a baby before I got married but our kids know what it is all about. We’ve all grown and learned so much.” The hardest part Connie says is when you have to let a child go. “We become attached. It’s not natural to give up a child you’ve learned to love. But we fill a gap that needs to be filled. It’s an opportunity to give that doesn’t really feel like giving. God gave us the grace to do it.”

Connie and Frank maintain connections with some of the children they’ve fostered. They are godparents to a child who is adopted by an aunt and uncle and they visit once a month. “We’ve become extended family,” Connie says. Another family who adopted a child sends pictures regularly. A benefit of being a foster parent is the friendships they’ve made with other foster parents, Connie says. “Foster parents are a very caring group of people.”

Foster parents receive a stipend from DSS to cover a child’s food, clothing and shelter. Health care and therapeutic services are provided by Medicaid for most children. But the hours of teaching and guidance come out of love. Foster parents must be willing to “hang in” when the going gets tough.

A number of local agencies including Henderson County DSS screen, train and support foster parents. To learn more about becoming a foster parent, e-mail familiesforkids@hendersoncountydss.org or call Darlene Stone at 694-6252.

June 24, 2013

Commissioner Hawkins requested that the Board revisit the Fund Balance policy after the completion of the audit.

Steve Wyatt noted he had been approached in regard to a pilot project and provided an example of the per diem travel policy. These projects would be done on a year to year basis with accounting measures to the Board.

It was consensus of the Board to have staff move forward with consideration of pilot projects and bring back a report to the Board.

It was consensus of the Board that the Sheriff’s Department provide copies of all contracts made by the Sheriff’s Department to the County Attorney.

It was the consensus of the Board to reinstate the NACo membership effective July 1, 2013.

*Commissioner Young made the motion that the Board adopts the FY2013-2014 Budget, with the addition of renewal of NACo membership at $1710.00, and further moved that the Chairman be authorized to execute the Budget Ordinance, to be effective July 1, 2013. All voted in favor and the motion carried.*

**UPDATES**

**SEVEN FALLS**

Russ Burrell noted the remediation package is out to bid, the first step of work to be done. The bid packages were made public mid last week. Anyone who wishes to bid is encouraged to do so. Information for RFP’s (Request for proposals) can be found on the front page of the county website, [www.hendersoncountync.org](http://www.hendersoncountync.org). Mr. Burrell was on site last week with the Core of Engineers and they have agreed, with some tiny changes, to the plans, and there will be no impact with the first step requiring core permits. There are some issues with obtaining permitting from the Division of Land Quality and the State. There is a mandatory pre-bid conference in the first week of July and the bids will be coming in shortly afterwards, before the mid-month meeting.

**MSD LAWSUIT**

Russ Burrell stated the County is technically not a part of that lawsuit at this point and not affected by anything going on. This does not mean that we will not be at some point in the future. The State could choose whether the county becomes a party in the suit, and it would be addressed at that point.

Currently there is an order in effect through consensus through August, at which time there will be a hearing in Raleigh in front of the Superior Court that will determine whether there is an injunction during the pendancy of the case. If the answer is no, the transfer will go forward and it will be difficult to undo as a practical matter.

**HOSPITAL CORPORATION**

Commissioner Edney reported that the Memorandum of Understanding is complete. At this point lawyers are reviewing the Lease, Articles of Incorporation, and Management Agreement.

**95 COURTHOUSE**

Commissioner Thompson noted that settlement of courthouse space is almost complete. Security measures are still being reviewed. The goal is to bring a plan before the Board at the mid July meeting for vote.

**APPOINTMENT OF STAN DUNCAN AS CHAIR TO THE NC GEOGRAPHIC COORDINATING COUNCIL**
Commissioner Thompson recognized the appointment of Stan Duncan as Chairman of the NC Geographic Coordinating Council.

Mr. Duncan explained that he was fortunate to be appointed to the council last year, which deals with GIS and mapping. It is a council made up of Federal, State, Department of Commerce, Department of Public Safety, Department of Agriculture, Secretary of State’s Office, and some local officials, trying to coordinate all of the GIS issues that come up from mapping deeds, right-of-ways, etc. Recently, Mr. Duncan was appointed as Chairman by the Governor. The state line survey is the most pressing issue at this time. It will also affect other counties as they begin to resolve county border disputes between jurisdictions.

DANA WATER ISSUES
Commissioner Thompson reminded the Board that Dana residents are continuing to deal with serious water issues. He questioned what Henderson County could do to assist them.

County Manager Steve Wyatt stated that the Grant applied for is now in the political process. Staff will research and develop options for the Board to review after the State adopts its budget.

COUNTY MANAGER’S REPORT
County Manager Steve Wyatt recognized the passing of Governor Jim Holshouser. Mr. Holshouser was a groundbreaking individual originally from Boone. Mr. Wyatt and Marcus Jones previously worked with “Jim” on various things. When you are in your office and “Jim” calls, and you start stuttering and stammering, he laughs and says “it’s just Jim”. He had a way of treating people that made you feel like you were somebody.

IMPORTANT DATES

INTER-LOCAL AGREEMENT

This Agreement is effective July 1, 2013, pursuant to Part 1 of Article 20 of Chapter 160A of the North Carolina General Statutes by and between the Henderson Tourism Development Authority (herein after called “HCTDA”), a public authority under the North Carolina Local Government Budget and Fiscal Control Act (“the HCTDA”), and the County of Henderson, a body corporate and politic (“the County”).

STATEMENT OF AGREEMENT

1. Term of Agreement and Termination:
   a. The term of this agreement is from July 1, 2013 through June 30, 2014.
   b. This agreement shall automatically renew from year to year unless written notice is given to the other party in accord with paragraph 1.c, below. Either party may terminate this agreement at its option, so long as done in accord with paragraph 1.c, below.
   c. Terminations of this agreement may occur only as of June 30 of each year, and only if either party gives the other notice of its desire to terminate the agreement by not later than December 31 next preceding the June 30 termination.

2. Employees: All employees of the HCTDA shall remain employees of the County, subject to the following:
   a. The Executive Director of HCTDA shall work at the pleasure and direction of the HCTDA Board,
   b. All other employees shall work at the pleasure and direction of the HCTDA Executive Director.
   c. The HCTDA will follow the County’s personnel policies, except that in no event shall any employee have the right to an appeal to the County Manager.
   d. The HCTDA will allow no action that would violate applicable law.

3. The rate of the Occupancy Tax will not be reduced during the term of this agreement. Further, the HCTDA will not modify the annual grant to the Henderson County Historic Courthouse Corporation during the term of this Agreement and any automatic renewals thereof.

4. Use of County facilities and financial terms:
   a. The HCTDA will use the County’s real property facilities, located at 201 South Main Street, Hendersonville, North Carolina. It is the intention of the parties that The Exhibit will be recalculated every year by the Finance Officer to adjust for changes in external
factors (for example, but not limited to, costs of employee benefits, costs of liability, casualty or other insurance, and other factors), and may include attributed and indirect costs. It is expressly agreed, however, that the Finance Officer shall not include in any calculations for The Exhibit any rental cost or attribution of depreciation for the facility at 201 South Main Street.

i. Included in The Exhibit will be a determination of the full cost to the County of the employment of all employees of the HCTDA, including all benefits and other expenses.

ii. The costs determined in The Exhibit will be in addition to, and not included in, the costs set out in North Carolina Session Law 2012-144 for administering and collecting the Occupancy Tax as noted in paragraph 7, below.

b. The HCTDA will pay to the County, on a monthly basis, all amounts listed under The Exhibit.

5. The HCTDA will use the personal property, vehicle, facilities and materials designated/purchased for support of Henderson County Tourism development and promotion.

6. The HCTDA will continue to cover the County with its performance licensing contracts with the American Society of Composers, Artists and Publishers ("ASCAP") and Broadcast Music, Inc. ("BMI"), and will refuse to allow any artists with which it contracts to perform works licensed solely by Society of European Stage Authors & Composers ("SESAC") (unless and until the HCTDA contracts with SESAC for the same).

7. The County (through the County Finance Officer who, under Session Law 2012-144 is also the Finance Officer of the HCTDA) will collect the Occupancy Tax on behalf of the HCTDA, and will provide accounting and payroll services for the HCTDA.

8. The fund balance accrued by and for the HCTDA is the property of the HCTDA, though held by the Finance Officer.

9. The Finance Officer, when acting as the Finance Officer of the HCTDA, shall fulfill all responsibilities to the HCTDA as if the Finance Officer had no responsibilities as Finance Officer of the County, and vice versa.

10. It is the intention of the parties and the desire of them that this agreement be in every instance interpreted such that:

a. The County in its finances neither benefits nor suffers detriment from the Interlocal Agreement between Henderson County and the HCTDA; and,

b. That, the HCTDA funds would neither benefit nor suffer in its finances as a result of the Interlocal Agreement between Henderson County and the HCTDA.

AGREEMENT

THIS AGREEMENT is made this 24th day of June, 2013, by and between the County of Henderson, a body corporate and politic of the State of North Carolina, and Agribusiness Henderson County, Inc., a North Carolina non-profit corporation.

Statement of Circumstances

1. The County of Henderson ("the County") is permitted to contract with entities to carry out any public purpose which the County could otherwise perform, pursuant to N.C. Gen. Stat. §153A-449.

2. Agribusiness Henderson County, Inc. ("the Corporation") was formed to engage in activities that enhance economic opportunities in agriculture and Agribusiness for the citizens of the County, including creating and retaining quality jobs and growing the County's Agribusiness and preserving family farms. The Corporation's purpose is to promote the common Agribusiness interests of the citizens of Henderson County.

3. The purposes of the Corporation are found by the Board of Commissioners of the County to be public purposes, and the County desires to assist the Corporation in its purposes, as stated herein.

Statement of Agreement

1. The Corporation will seek to enhance and encourage the business of agriculture and related endeavors in the County for both large and small farms and farmers, as well as establishments dealing with locally-grown products. As used herein, agriculture is to include its broadest definition, expressly including but in no way limited to silviculture, horticulture, aquaculture, and the like.

2. The County will:

   A. Provide suitable office space, in the County's discretion, with all utilities, for the Corporation.

   B. Pay all or a portion of salary, with like proportion of all benefits (and other costs of employment, including attributed telecommunications cost) of a regular employee of the County (hereafter "employment cost"), up to but not exceeding the amount budgeted by the Board of Commissioners of the County for such purpose, of the Corporation's chief executive officer ("the CEO").

   C. Provide reasonable cash management for an agency account maintained by the Henderson County Finance Office on behalf of the Corporation, as stated below.
3. Term: This agreement shall be for a term of one year, from the period 1 July 2013 through 30 June 2014, but shall automatically renew unless either party gives the other at least three months’ notice of intent to non-renew at the end of the County’s fiscal year.

4. The County’s obligations to pay the cost of performing its obligations under this Agreement shall be subject to and dependent upon appropriations being made from time to time by the Board of Commissioners of the County for such purpose.

5. Usage of funds and accounts:

   A. As stated above, the County will maintain an agency account on behalf of the Corporation.

   B. In addition, the County will show a County general fund line item for the employment expense (salary, all benefits and all attributed costs as shown for any other employee of the County) of the CEO.

   C. The County will show as a revenue item from the agency account payable to the general account line item with the CEO employment expense an amount sufficient to fund the difference between the CEO employment expense and the amount appropriated by the Board of Commissioners for such purpose.

   E. All funds received by the Corporation will flow through the agency account, and will be expended only in accord with County policies. Requests for expenditures from this fund shall be made on a form supplied by the County’s Finance office, and be signed by the Company’s CEO and a designated member of the Corporation’s governing board. The Finance Director of the County, to the extent allowed by the County’s annual Budget Ordinance, may temporarily transfer from the County’s general fund up to one-third (1/3) of the amount appropriated by the Board of Commissioners of the County for funding the CEO employment expense to the agency account to be used to pay expenses of the Corporation. However, in no account may the total amount transferred or encumbered by earned or attributed employment expense of the CEO exceed the sum of the amount appropriated by the Board of Commissioners of the County and any funds existing in the County’s general fund which were transferred there from the agency account for the Corporation for this purpose. Further, if the amount remaining in the County’s general fund for the purpose of payment of the cost of the employment of the Corporation’s CEO is significantly less than expected cost of the same for the balance of the County’s fiscal year, the Finance Director shall place the issue back before the Board of Commissioners at their next scheduled meeting.

6. If the Corporation violates any of the provisions of this Agreement, the County may terminate this Agreement (upon thirty (30) days written notice of the same to the Corporation). In such event, all unexpended funds at the time of such termination, whether held by the Corporation or the County, shall be the property of and be returned to (or remain with) the County.
7. The Corporation shall not assign any interest in this Agreement and shall not transfer any interest in the Agreement without prior written consent of the County.

8. In connection with the performance of this Agreement, the Corporation shall not discriminate against any employee, applicant for employment, or program participant because of race, religion, color, sex, age, handicap, or national origin, or on account of their limited English language proficiency.

11. Should the County in the future elect to provide direct funds to the Corporation in lieu of the salary or use of space or agency account provided above, the Corporation shall provide an accounting of such County funds to the County to demonstrate that funds allocated to the Corporation have been used for the purpose(s) specified herein. The accounting report shall be submitted to the County within 30 days of the end of the contract term. Further, the County shall be entitled to audit the Corporation’s expenditure of County funds at the County’s discretion. Any excess funds or funds not used for the expressed purpose(s) stated herein must be returned to the County within thirty (30) days of the County’s request for said funds.
