**Tax refund request**
The Tax Department received a letter from Brian Hamill. In the letter, Hamill makes a “written demand for release” of the County’s tax claim against a parcel of land.

In the opinion of your County Attorney, nothing in Mr. Hamill’s letter constitutes a defense to the assessment by the County of *ad valorem* real property taxes against his property.

Under N.C. Gen. Stat. §105-381:

> Upon receiving a taxpayer's written statement of defense and request for release or refund, the governing body of the taxing unit shall within 90 days after receipt of such request determine whether the taxpayer has a valid defense to the tax imposed or any part thereof and shall either release or refund that portion of the amount that is determined to be in excess of the correct tax liability or notify the taxpayer in writing that no release or refund will be made. . . . All actions taken by the governing body or finance officer, manager, or attorney on requests for release or refund shall be recorded in the minutes of the governing body. . . .

Motion:

*I move that the Board deny Brian Hamill's request for release or refund of tax claims.*

**Lease Extension with HCPED**

Proposed is an extension of the existing lease with the Partnership for Economic Development. It is in accord with the terms of the lease entered in 2010, and will expire in 2020. It covers all of the space in the current facility, located at 330 North King Street.

Motion:

*I move that the Board agrees to the lease extension proposed with Henderson County Partnership for Economic Development, and authorize the chair and staff to execute the same.*

**Set Public Hearing for Re-naming of Turkeybrush Trail**

Planning Department staff requests the Board to set a public hearing to consider re-naming Turkeybrush Trail to Mystic Pines Way. Assignment of the new road name must be requested by over 66% of the current property owners bordering the existing street. This request was made by all the current lot owners of Turkeybrush Trail. The re-naming of this road requires the assignment of new property address for two existing homes.

The naming or renaming of the street is required by the Henderson County Property Addressing Ordinance (Chapter 41). North Carolina General Statute 153A-239 1 and the Property Addressing Ordinance require the Board to hold a public hearing prior to assigning a new road name.
February 19, 2014

Motion:

_I move the Board sets the public hearing for March 17, 2014 at 5:30 p.m. to discuss the proposed road name assignments._

**Contract Approval**

At the Board’s Budget Workshop in January, the Board directed Staff to engage a facilitator with expertise in emergency services to work with Emergency Medical Services and the Rescue Squad to develop options to meet the long term obligations of both organizations. The County Manager has a proposal from Solutions for Local Government for this study, and recommends approval of such by the Board. The report would be due in mid-May.

Motion:

_I move the Board approves the contract with Solutions for Local Government as presented._

**SMOKING ORDINANCE AMENDMENTS**
County Manager Steve Wyatt stated at the Board’s January 6th meeting, following discussion of how to deal with smoking at facilities owned or operated by the County due to citizen complaints, Staff was directed to work on options for further review by the Board.

Several department representatives, including the Library, Recreation, Elections, and King Street Building, met on January 13, 2014 to discuss these considerations. As a follow-up, a survey of departmental leadership was also conducted. While the consensus has generally been to recommend a tobacco-free campus, the County only has authority from the General Assembly to deal with tobacco smoke, not any other aspects of tobacco use.

At this point, all departments are in favor of a smoke free campus, with the exception of EMS and the DSS Board of Directors. No subsequent citizen input has been received one way or the other.

Options:
I. A total smoking ban on County Government property.
II. A ban on smoking with the exception of designated areas.
   a) Smoking could be banned within 50 to 100 feet from any County building.
   b) Smoking could be limited to designated areas, with smoking areas located away from entrances and general traffic areas, and where people have to gather while doing business with the County or participating in County activities.
III. Maintain the status quo

Steve Wyatt was directed to work with departments and put together ideas for smoking areas with roofs, disposals, etc. Jackson Park does not require shelter, just designated areas. It will not be necessary to bring this item back before the Board.

*Commissioner Hawkins made the motion that the Board adopts option IIB (Smoking limited to designated areas, with smoking areas located away from entrances and general traffic areas, and where people have to gather while doing business with the County or participating in County activities). All voted in favor and the motion carried.*

**FLETCHER LIBRARY BUILDING**
Fletcher Town Manager Mark Biberdorf, and Councilman Bob Davy, requested to be on the agenda to discuss a Fletcher Library building on behalf of the Fletcher Town Council.

Mark Biberdorf stated the Town of Fletcher needs a new facility. There is no room for expansion in the existing library. Fletcher Library is the second busiest library in the County. Mr. Biberdorf shared a one page handout that included a location with several sites that would be ideal for the new
library. He requested that a new Fletcher Library be part of the budget process and requested funding for preliminary architects, at the least.

Commissioner Hawkins requested that the County Manager provide information to the Board on cost to maintain libraries and history of County libraries.

**DRAFT GREEN RIVER-TUXEDO-ZIRCONIA (GRTZ) COMMUNITY PLAN OVERVIEW**
Senior Planner Autumn Radcliff stated the Green River-Tuxedo-Zirconia (Hereinafter GRTZ) Community Plan Advisory Committee, formed by the Board of Commissioners on May 7, 2012, was responsible for developing and recommending a community-specific comprehensive plan for the GRTZ Planning Area. After over a year of monthly meetings, holding two public input sessions (including a mailed survey), and receiving information from County staff and relevant experts, the Committee completed the Draft GRTZ Community Plan.

On October 17, 2013, the Planning Board held a joint meeting with the GRTZ Community Plan Advisory Committee. On November 21, 2013 the Planning Board voted unanimously to send forth a favorable recommendation of the GRTZ Community Plan.

Staff will present a brief PowerPoint presentation highlighting the sections and recommendations of the Draft Plan. Copies of the Draft Plan will be distributed to the Board of Commissioners prior to the February 19th meeting. The Board may wish to schedule more detailed discussions, including a workshop, or adopt the plan. A public hearing is not required to adopt the plan. As with any plan, adoption does not obligate the County to implement every recommendation. Given that circumstances and needs change, the County may not move forward with all action items.

LETTER OF AGREEMENT

Mr. Steven Wyatt
Henderson County Manager
1 Historic Courthouse Square; Suite #2
Hendersonville, NC 28792

Re: EMS-Rescue Facilities Needs Assessment

Dear Mr. Wyatt:

The enclosed Work Plan Outline highlights the major tasks we will undertake to identify and document the information necessary to complete the requested EMS-Rescue Facilities Needs Assessment for Henderson County.

While I have attempted to organize the major tasks and subtasks sequentially, there may be activities that occur simultaneously or that will need to be repeated or revisited based upon new research or findings that occur along the way. None the less, it is intended that the tasks and activities described in the attached task outline provide the performance criteria for this agreement.

At this time I anticipate that we should be able to schedule the referenced Management Review Meeting (Task 5) approximately 6 weeks from commencement of work.

Our proposed fee to produce this study and provide the County with the necessary documentation, including all related project expenses for travel, communications, and document production is, and will not exceed, $18,400.00. Services will be billed monthly based on the percent of work complete.

If the foregoing terms meet with your approval, please sign and return one copy of this letter at your convenience, to the address listed below.

I am very much looking forward to working once again with you, and with Henderson County.

Sincerely,
