Dear County Commissioners:

There has been community interest in the possibility of banning plastic bags in Henderson County and The Henderson County Environmental Advisory Committee has considered two presentations on the subject. We have come to the conclusion that the people of Henderson County are not prepared to accept a ban on plastic bags imposed by the local government. We suggest that you do not ban plastic bags in Henderson County.

Nonetheless, in order to encourage the recycling of plastic bags and the use of personal reusable shopping bags we would suggest that the Henderson county Commissioners issue an annual certificate of appreciation to the retail establishment which manages to cut its per capita customer use of plastic bags in Henderson County. The EAC would gladly accept the responsibility of ascertaining the winner and printing up the Certificate.”

Sincerely,

Pam Danz
