Press Release

MENTAL HEALTH PROVIDER CLOSES

November 1, 2006 - *Hendersonville, NC* - As of the close of business yesterday, October 31, 2006, New Vistas/Mountain Laurel will no longer be providing services. The following providers are available to assist Henderson County consumers with their needs:

Family Preservation Services	697-4187
Advantage Home & Community Care	696-2779
Horizon Recovery	692-8221
Appalachian Counseling	692-7300
Families Together	698-7832
Families First	698-8588

A complete list of providers is available on the Western Highlands website. Log on to www.westernhighlands.org for information.

New consumers, or consumers returning after being out of services, may contact Western Highlands Access at 225-2800, or 1-800-951-3792. During business hours, emergency services may be obtained via Parkway Behavioral Health, which is located at 132-B 3rd Ave. East in Hendersonville. Parkway's phone number is 692-8221. After hours and weekend emergency services can be accessed by calling 211 or 1-800-951-3792.

New Vistas' medical record information will be maintained locally through December 31st. Information about medical records may be obtained by contacting either Ulanda Canady at 692-5741, ext. 114 or June Huffman at 692-5741, ext. 112.

Questions about the change in service providers or problems with accessing service can be addressed by calling Western Highlands at 225-2800 or 1-800-951-3792.
