## NEW ADDRESSES FOR SOME COUNTY DEPARTMENTS

**January 12, 2007 - Hendersonville, NC** - Shortly after Christmas, the last of the Henderson County Departments previously housed in the Land Development Building on Allen Street were relocated to new office space one block away. The following information is to advise citizens of the correct addresses of, and entrances to, those Departments.

Henderson County Building Services, including Permitting, Inspections, and Property Addressing, and Code Enforcement Services, including Zoning and Solid Waste Enforcement, are located at 240 2nd Avenue East. This entrance is the same as the former Department of Social Services entrance - across the street from the American Red Cross. Parking is available on 2nd Avenue, in the Courthouse's south parking lot, or the county's King Street parking lot. The closest parking to the entrance is on 2nd Avenue.

Henderson County's Planning Department is located at 213 1st Avenue East, on the 3rd floor, and Henderson County's Emergency Services Department, including Emergency Management and Fire Marshal, is located at 211 1st Avenue East, on the first floor. Citizens will enter these departments from the small parking lot off 1st Avenue (located behind the County Administration Building). Parking is available in the small parking lot as mentioned, along 1st Avenue, in the Courthouse's south parking lot, or in the King Street parking lot. The closest parking to the entrance is the small parking lot off 1st Avenue.

Henderson County's administrative offices, including the County Manager's Office and the County Attorney's Office, as well as the offices of the Board of Commissioners have not moved and are still located at 100 North King Street, with the entrance from the King Street parking lot.
