## Kitchen Gardening

**HC-2014-25**

**Hendersonville, NC – Wednesday, May 14, 2014**

Gardening does not have to be an outdoor activity! Join Kerrie Roach with North Carolina Cooperative Extension for this quality program on indoor gardening. You will learn about the many different ways you can incorporate plant material in your kitchen without having to allocate a large amount of space. From hanging planters to pallets, we will have you itching to get home and plant. We will also talk about some unique ways to utilize your kitchen scraps. The program will be held on Tuesday, May 20, 2014 at the Etowah Library beginning at 3:00 p.m. and on Thursday, May 22, 2014 at the Fletcher Library beginning at 3:00 p.m.

If you need additional information, please feel free to contact the Etowah Library at (828) 891-6577 or the Fletcher Library at (828) 687-1218.
