Our textbook will be Our Constitution ROCKS! by 14-year-old, Juliette Turner

Patriot Camp is summer school for young Patriots and is designed to teach children about the founding of our country in a fun camp setting. The children will meet many of our founders in costume, and learn why we signed the Declaration of Independence and fought the Revolutionary War. They will explore how the US Constitution/Bill of Rights and the free market system brought the most freedom and highest standard of living to the greatest number of persons in history! We will be using the Constitutional Champions Foundation's curriculum which includes games and crafts. Come join the FUN!
