

The Henderson County Sheriffs Office has cancelled the Silver Alert for Mr. David Albert Hayes of Etowah. Mr. Hayes was the subject of a Silver Alert when he disappeared from his neighborhood in Etowah on April 7<sup>th</sup>, 2009. On April 8<sup>th</sup> officers were able to determine that he had been in Travelers rest SC at Wal-Mart where he withdrew some cash from the ATM.

Mr. Hayes managed to contact his family this morning from a Shell gas station in Augusta Ga., and the family was able to drive to the area and pick him up. He appeared to be in good physical condition.

We have no further information and wish the Hayes family well.
