

Henderson County Sheriffs Deputies and investigators from the Criminal Investigations Division are wrapping up an investigation into a shooting that took place in the area of 25 North near Grimesdale at 4:18 a.m. this morning.

The Sheriffs office received a call from the driver of a vehicle who stated that the female passenger with him had just been shot. He indicated he was going to wait at the Enmark service station located at 25N and Brookside Camp Road. Telecommunicators dispatched officers and Henderson County EMS while trying to ascertain the nature of the shooting, the severity and the location of the suspect. The victim of the shooting and the driver of her vehicle had fled the area of the shooting to call for police aid and medical assistance. The location of the event was nearby at Jordan Park Lane.

Officers resounded to the Enmark along with Henderson County EMS where the victim was transported to Pardee Hospital. Her injuries did not appear to be life threatening. Officers were able to ascertain information as to the location of the residence where the shooting had taken place and responded to the area to secure the scene and contain the suspect. The Hendersonville City/Henderson County joint SWAT Team arrested the suspect without incident.

The victim is Leslie Fawn Reeder, 27 years of age. The driver of her vehicle and reporting party of the shooting is Paul Shannon Craig, 33 years of age. He was not injured in the incident.

The man suspected in the shooting is Ralph Jackson Glenn, 45 years of age. He should be appearing before a magistrate shortly.

Latest info. Suspect has been arrested on the charges listed below and placed under \$20,000 bond for each of the three charges.

Reeder's address is 26 north Cottage Court. Glenn's actual numerical address is uncertain but he resides at the trailer from where he fired the shots on Jordan Park Lane. It seems that Paul Shannon Craig went to the location to retrieve some personnel property from an individual that was not at the residence. He was told by a female at the residence that the party being sought was not there and that he needed to get off the property. Mr. Craig claims that he was in the car leaving the area when Glenn opened fire on the vehicle wounding the passenger Ms. Reeder. Reeder was only along because Craig was borrowing her car.
